I, Spc Kirby Gregory, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

We was on ASR Detroit taking a convoy to Scania. While going down detroit at grid MB 73586 62500 their was an ambush. I was the gunner at the rear of the convoy. One of our semi-trucks was hit by an RPG, we heard radio transmissions that our other two stallion platforms were being hit bad. There were other military personel at the rear of the convoy. A transportation unit had traffic blocked so nothing else could come south and into the kill zone. My vehicle with my team leader Sgt. Burke + Sgt. Simpson, my driver, went on up to help with the situation. Before we left there at the rear of the convoy we was already getting fired upon. We returned fire, they stopped firing at us from where we was. We went up south in the northbound lane as soon as we got to the burning semi-truck we crossed back over in the southbound lane to get on a side road where 5 other hummers were taking and returning fire. Our vehicle got behind one hummer so we could take a soldiers down to the causualty point so he could be medicaced out. We provided cover fire and hummer armor protection to get the injured military personel. We didn't have a location on our two other stallion platforms, but we did know they was on down the road. Raven elements were there to help also with suppressive fire. The situation was finally neutralized and the area was swept for weapons + EPW's. We relinked our convoy back together and then linked up with Dragon 4-7 to continue on to Scania. Now we are here.
